

CALVETTI FERGUSON is a dynamic, mid-tier Houston-based CPA firm that is energized to create value for our clients. With knowledge gained from working on the operational side of businesses, our partners leverage their backgrounds as Controllers, Vice Presidents of Finance and Tax Directors to help you capitalize on opportunity and growth. We go beyond accounting issues to provide holistic solutions that answer your big picture needs.

**SPECIALISTS IN ENERGY, HOSPITALITY,
REAL ESTATE & CONSTRUCTION AND MULTINATIONAL BUSINESSES**

Calvetti Ferguson provides tax, audit and advisory services to middle market clients in the energy, healthcare and international markets. We bring hands-on business experience and industry-specific knowledge to the practice of accounting. In addition, the partners at Calvetti Ferguson are closely involved throughout each client relationship through ongoing communications and face time on a quarterly basis. As an independent member firm of PrimeGlobal, an association of independent accounting firms, Calvetti Ferguson can serve clients locally wherever they operate worldwide.

CALVETTI FERGUSON HIGHLIGHTS

Whether it is complex tax issues or a new business venture, Calvetti Ferguson goes further than fundamental accounting services to eliminate hurdles, identify opportunities and ensure the best for your business. We bring deep industry experience to solve the most intricate challenges and add value by linking clients with business development connections through our network of resources.
